EXPERIENCE

01/2026
PRESENT

UNIVERSITY OF NORTH FLORIDA – JAX, FL

Senior UX Strategist

Primary Tools: Figma Make, Claude, Adobe CC, Hotjar

- Leading UX strategy across campus systems including myWings portal, Workday, and ServiceNow, conducting on-campus research and establishing new UX practices that improve digital experiences for students, faculty, and staff.
- Overseeing multi-channel feedback programs including interviews, surveys, and focus groups to capture student, faculty, and staff insights that inform data-driven decision making.
- Collaborating cross-functionally with IT, academic departments, and administrative leaders to implement experience improvements and communicate insights through research storytelling and stakeholder workshops.

06/2024
09/2025

AMERICORPS – WASHINGTON, D.C. (REMOTE)

Senior UX/UI Designer

Primary Tools: Figma, FigJam, Adobe CC, Hotjar, ChatGPT

- Led UX/UI design for an AI-powered 0-1 Learning Management System, integrating ML/NLP enabled features such as smart search and personalization that increased user engagement by 18%.
- Designed and scaled Figma design system with documentation and governance, reducing development time and rework by 12%.
- Conducted qualitative and quantitative UX research initiatives (user personas, journey maps, audits).

01/2022
06/2024

NESTLÉ HEALTH SCIENCE – BOSTON, MA (REMOTE)

Senior Manager, UX/UI

Primary Tools: Figma, Adobe CC, Maze, accessiBe, GA

- Defined and executed Product UX/UI strategy for multiple eCommerce and digital product initiatives, resolving experience gaps, improving conversion rates and optimizing user flows.
- Partnered with business stakeholders to ensure user needs such as usability align with conversion, engagement, and adoption.
- Led, mentored, and performance-managed a distributed Product UX/UI team, aligning UX outcomes to business goals via OKRs and KPIs.

12/2016
01/2022

LANDSTAR – JAX, FL

Senior User Interface Designer

Primary Tools: Adobe CC, Zeplin, Sketch, InVision

- Owned UX decisions across discovery, prioritization, and delivery, balancing user needs, technical constraints, and organizational goals.
- Designed transportation and logistics platforms including load boards and proprietary internal tools, supporting workflows for customers, agents, and owner-operators across operational environments.

11/2013
06/2016

DUVAL COUNTY PUBLIC SCHOOLS – JAX, FL

Manager, UX/UI

Primary Tools: Adobe CC, Sketch, HTML, CSS, JavaScript

- Led UX strategy and delivery for digital products supporting 183 schools and 125,000+ users within the school district.

07/2012
11/2013

XCEL TESTING SOLUTIONS – JAX, FL

Director, User Experience

Primary Tools: Adobe CC, HTML, CSS, JavaScript

- Built and led a UX team responsible for Learning Management System and enterprise design system, establishing patterns and standards for long-term scalability.
